# Navigate Healthcare

The Sargent Shriver National Center on Poverty Law provides **free, customized training** to professionals that want to learn more about health insurance enrollment and eligibility.

We provide guidance and materials to help you support your clients sign up for, use, and keep health insurance coverage for themselves and their families.

We can train on a range of topics to fit your needs, including:

- The impact and status of the Affordable Care Act
- Medicaid, including Medicaid Managed Care
- Open Enrollment and the Health Insurance Marketplace
- Illinois' online public benefits portal, Manage My Case
- Applications, redeterminations, and appeals
- Immigrant eligibility for public benefits
- ... and more!
