

**THE IL AFP AND THE
ALZHEIMER'S ASSOCIATION, IL CHAPTER,
PRESENT A VIRTUAL CME EVENT ON**

ALZHEIMER'S DISEASE: A FAMILY ILLNESS

**With a Special Focus on Suburban
and Rural Health Communities**

**MAY 6, 2021 6:30 - 8:00 PM CT
VIA ZOOM**

Presented by William D. Rhoades, DO, FACP,
Chief Medical Officer and Geriatrician, Advocate Good
Samaritan Hospital, Downers Grove IL.

With Family Physicians Panelists: Asim Jaffer, MD,
Noman Shahid, MD, & Sharon Smaga, MD

Discuss the impact Alzheimer's disease has on a family, and
how sometimes caring for the individual just isn't enough.
We will discuss the diagnosis, staging and treatment
approaches based on the stage of the illness.

**Visit www.iafp.com for more information
& to register to attend for free.**

**ILLINOIS ACADEMY OF
FAMILY PHYSICIANS**
