NRCME DOT Training

How You Can Become Certified!

As of August 12, 2013 only 1141 physicians in the US were certified to conduct Commercial Driver Medical examinations. The Federal Motor Carrier Safety Administration projected the need for 40,000 examiners nationwide. Will you be one of the Illinois physicians who will become certified? Take the first step by [registering online](#) to attend the October 12th training in Davenport, Iowa!

Interested in additional training offered by the IAFP? Take our [Needs Assessment Survey](#) and let us know you would be interested (and help us decide where to conduct the additional NRCME DOT Training)!

Find out more about the NRCME DOT Training by [clicking here](#).

IAFP Annual Meeting Speaking Opportunity Subject Matter Experts Needed!

The CME committee is looking for two subject matter experts to give 15 minute critical updates on Saturday, November 9 at the Annual Meeting.

We are looking for one speaker to give a 15 minute update on the latest information on diabetes treatment, and another speaker to present on a to be determined topic. Accepted speakers will receive complimentary registration to the meeting!

If you are an expert on diabetes, or if you have another topic you think would be of importance and interest to our membership, please contact Sara Gadberry, IAFP Education and Accreditation Manager, at sgadberry@iafp.com today!

IAFP Needs Assessment - 2013 Mini Surveys Fill Out the Surveys to Win a Gift Card!

The IAFP Education Team needs your feedback to provide the CME that you need. Throughout the remainder of 2013, CME Connections will include a short, topical survey. For each survey you complete for through the end of 2013, you will receive one entry into a drawing for a \$250 Visa gift card.

[Online registration is open](#). Don't hesitate, secure your spot today!

Other CME Opportunities

DSM-5: What You Need to Know

Presented by The Illinois Psychiatric Society

Saturday, November 9, 2013, 8:30am-3:00pm

James T. Dove Conference Center, Prairie Heart Institute at St. John's Hospital, Springfield, IL

Facilitated by: Jeffrey Bennett, MD

Don't miss this Master Workshop from the APA experts. The DSM is used nationally and internationally to provide standardized criteria for clinical and research use. Release of DSM-5 marks the first major revision to the classification and diagnostic criteria since DSM-IV was released in 1994.

Questions? Contact Kristen Malloy at (312) 224-2600 or kmalloy@ilpsych.org.
