For more information, including a schedule of events, learning objectives, and online registration, please visit the [Annual Meeting Web Page](#).

Full meeting details were included with the September Print Issue of *Illinois Family Physician*. Download an [electronic copy](#) today!

2014 Mini Needs Assessment Surveys

Fill Out the Surveys to Win a Gift Card!

The Illinois Academy of Family Physicians (IAFP), together with the Illinois Chapter of the American Academy of Pediatrics (ICAAP), and Illinois Critical Access Hospital Network (ICAHN) are requesting your assistance to develop educational programs on immunizations.

IAFP, ICCAP & ICAHN are designing materials to address the educational needs of primary care providers on the topic of HPV and Meningococcal immunizations and would like your input on what information you would like to learn more about. We are also interested in your practices regarding adolescent immunizations.

[Complete the Needs Assessment on HPV and Meningococcal Immunization today!](#)

IAFP Lunch and Learn Webinar - TOMORROW!

Join the IAFP on the last Thursday of each month for a free CME webinar! Grab some lunch and your office staff and log onto our FREE monthly webinar.

Immunizing Adolescents against Human Papillomavirus (HPV) and Meningococcal Disease: What You Need to Know

Presented by: Glenn Skow MD, MPH, Chief of Staff, Medical Director, Emergency Department, Fayette County Hospital

October 30, 2014, 12:00-1:00pmCST

- Understand the current guidelines for immunizing adolescents against HPV and meningococcal disease.
- Educate patients and their parents/guardians about the importance of immunization. Develop an office-wide strategy to improve the immunization rate with adolescent patients (e.g., patient recall and

reminder systems, standing orders).

CO*RE Offering FREE Webinars - ER/LA Opioid REMS

Upcoming Webinars in 2014 (November 11, November 13)

The State Academies of Family Medicine are pleased to invite you to attend a FREE webinar on Extended-Release/Long-Acting Opioids: Achieving Safe Use While Improving Patient Care. We have 4 webinars scheduled during the next several months – one of them should be perfect for your busy schedule.

**Collaborative for
REMS Education**

These 90-minute webinars meet the FDA requirements for ER/LA opioid risk evaluation and mitigation strategies [REMS], and include a wide range of topics relevant to your practice and patients:

- Appropriate assessment, risk evaluation and use of the agents.
- Methods to initiate, modify, and discontinue use, including ongoing management strategies.
- Evidence-based tools for assessing adverse effects, plus patient and caregiver safety tips, including safe storage and disposal.
- Product specific information on each of the agents in this class.

The webinar includes the latest evidence-based information and practical tools you will put immediately to use, and much more. A post-activity assessment will help you gauge your increase in knowledge and competency. Upon completion of the assessment and evaluation you will receive 1.5 AAFP Prescribed credits, and we will send you both the faculty slides and additional resources you can use to improve your care of patients.

Other Educational Opportunities

5th Annual ABC (Autism, Behavior Complex Medical Needs) Conference: Interprofessional Approach to Caring for Children with Special Healthcare Needs

November 21, 2014, 8:00am - 3:30pm

Moraine Business and Conference Center, Palos Hills, IL

Earn up to 6 AMA PRA Category 1 Credit(s) at this 5th Annual conference! This year the focus of the conference has been expanded to include topics relevant to a wide range of interprofessionals. Join pediatricians, family physicians, other healthcare professional and community service providers, including home visitors, child care providers, and Early Intervention professionals, for a day of excellent educational content, valuable resources, and networking with colleagues from around the state.

Three educational tracks (A, B, and C) will run concurrently throughout the day in breakout sessions, in addition to three keynote presentations. Participants will acquire knowledge of care coordination for children with complex needs and gain a better understanding of working with child care, schools, home visitors, and others in order to support families and access services.

Fit Family Challenge Dissemination Training

February 2-3, 2015

Marriott Denver Airport, Aurora, Colorado

The Colorado Academy of Family Physicians and the University of Colorado School of Medicine Department of Family Medicine invite you to Register for the Fit Family Challenge Dissemination Training.

The award-winning Fit Family Challenge is a proven pediatric obesity intervention that takes place in the primary care clinic. This hands-on training will give you the tools you need to fully implement this program at your practice. Find out more at www.coloradoafp.org.

We are able to offer this first training at the discounted price of \$295. The training includes breakfast and lunch, the Fit Family Challenge curriculum materials, a data tool-kit, two technical follow-up calls, and CMEs.

Online registration is open! Questions? Please contact Sarah Roth at Sarah@coloradoafp.org or 303.696.6655 x16.
