

Family Medicine is at the heart of Gundersen Health System, and there is an opportunity for you to step into the exact type of practice you have in mind. Want to deliver babies? We have a place for you. Prefer geriatric and nursing home care in addition to your practice? We offer that as well. Inpatient care? Emergency as an option? **You bet.**

Our system of regional clinics, hospitals and a tertiary care center has a broad range of openings in Family Medicine. Tell us how you want to practice, and we'll find the right fit!

La Crosse is a vibrant community, nestled between soaring bluffs and the Mississippi River. The astonishing natural beauty is home to more than 135,000 people in the metropolitan area. The historic downtown and riverfront host many festivals and events, while the area also boasts great outdoor recreation such as boating, fishing, skiing, cycling and hiking. La Crosse is known for its excellent local schools— including two vibrant universities and a reputable technical college—and accessible housing in safe neighborhoods. All of this and an endless variety of live entertainment and breathtaking beauty make it a great place to call home.
