

Additional activities during Family Medicine Midwest

Support the local community: You can bring non-perishable food donations for UI-Health Pilsen Food Pantry, which was co-founded by Friday's plenary presenter, Dr. Evelyn Figueroa. Please bring them to the Help Desk. Most requested items are baby diapers, non-perishable, non-expired foods. Cash donations are also welcome. You can sponsor an entire family for just \$6-12 per month. Donate directly online at <https://www.figueroawufamilyfoundation.com/> or bring donations to the Help Desk.
